CORPORATE AND SMB SERVICES

CORPORATE DEDICATED INTERNET SERVICES

A premium internet service for SMBs and Corporations requiring high performance internet access. This service provides higher priority traffic and reserves bandwidth resources at the internet gateway exit point according to the client's requirements.

VPN SERVICES

CREDIT CARD POS VPN - This VPN Service connects Retail Shops within the BCD to their bank POS provider. It provides a faster, cheaper and more reliable solution than any existing solutions such as dialup or GPRS.

PoS 100Kbps	Setup Fee	\$10	\$5/mo
-------------	-----------	-------------	---------------

MAN (METROPOLITAN AREA NETWORK) VPN - A VPN Service to connect branches within BCD over BBN MPLS / IP Network. The BBN network combines the benefits of both layer 2 and layer 3 networks which includes: security, fast switching, flexibility and dynamic routing.

100 Mbps	Setup Fee	\$10	\$50/mo
----------	-----------	-------------	----------------

10 Mbps	Setup Fee	\$10	\$25/mo
---------	-----------	-------------	----------------

WAN (WIDE AREA NETWORK) VPN - A VPN Service to connect businesses or branches located within BCD to head offices or other branches outside the BCD. It is provisioned and customized in partnership with existing Data Service Providers, providing a secure, reliable and cost-effective means of communication.

For further information please contact us on **01 977 860**.
